SENTIMENTAL JOURNEYS

Douglas DC-3

We know her now as the "Grand Old Lady of Aviation." There has been no machine which has done more to bring the world closer together in war or peace. She is the legendary . . . Douglas DC-3. We invite you to join us and relive an era. Our Flight Director will see to your airborne comfort and insure that you arrive at your special destination feeling like you have become part of history . . . and indeed you will have experienced it in our own DC-3.
